

BLAZE YOUR WAY TO GREATER PRODUCTIVITY!

THE MOST VALUABLE PRODUCT IN THE SPORT FLOOR MARKET

Norton Blaze features state-of-the-art ceramic grain that delivers an incredibly sharp cut unrivaled in the sport floor market. The open coat grain design allows our premium abrasive to cut faster and more aggressively, giving it the unique ability to remove multiple layers of coatings quickly while minimizing loading. The anti-static poly-cotton backing is extremely durable and improves dust collection for a cleaner workspace for you and your customer.

Designed specifically for the toughest sanding applications, Norton Blaze tackles gym floor re-sands with ease and is proven to cut through UV-cured pre-finished floors in one pass. When you're racing against the clock to get the job done, put Norton Blaze in your starting lineup.

NORTON

SAINT-GOBAIN

BLAZE**FLOOR SANDING
BELTS AND ROLLS****FEATURES & BENEFITS**

- Super-sharp premium ceramic grain cuts fast and delivers unparalleled longevity resulting in less belt changes and more footage per job. Leaves a fine scratch for easier sanding and a better overall finish.
- Open coat grain design minimizes loading and provides an aggressive cut to easily sand through multiple layers of tough coatings and UV-cured finishes.
- Anti-static backing improves dust collection and keeps machines cleaner.
- Tough poly-cotton backing is extremely strong and flexible for improved tracking and easy application/installation on drum sanders.
