

As wood flooring contractor and reclaimed flooring expert Kevin Minton wrote about in this issue's Techniques article (you can find it starting on page 31), your ability to find a reliable reclaimed wood flooring manufacturer plays a huge role in the quality of your completed job. To make that search a little easier for you, the following pages feature a who's who of reclaimed wood flooring manufacturers and their product specs so you can quickly determine who is making what.

PF

PRODUCT FOCUS
