## Bona US

Bona US' Professional Series Hardwood Floor Care Systems are designed for effective and easy care of hardwood floors. These floor care products are safe for floors, families and the environment, the company says, and are also available in formulations for stone, tile and laminate. [bona.com](http://bona.com)

## Bostik Inc.

Bostik's Simple-Fix is a two-part epoxy specially formulated for repair of hollow spots under hardwood flooring. It has very

low viscosity, so that even a large hollow spot may be filled from a single 1/8-inch hole, and it is exceptionally easy to gun from a standard 10-ounce cartridge gun, the company says.

## DriTac Flooring Products LLC

DriTac's "Green" Engineered Wood Floor Repair Kit is specially formulated to repair hollow spots, voids and popping conditions beneath engineered hardwood flooring installation without having to replace planks. It comes with a green, zero-VOC and zero-solvent pressure-sensitive adhesive that cleans up easily with a damp cloth.

## Pallmann

Pallmann P-17 is a no waste, one-component polyurethane adhesive used to repair hollow spots under wood or laminate flooring caused by inadequate adhesive coverage, adhesive delamination, subfloor gaps and substandard adhesive transfer. The product features excellent flow with superior bridging capabilities for the toughest repairs, the company says.

## Osmo North America

The Osmo Floor Maintenance Kit is used for the care and maintenance of hardwax-oil and other oil-finished floors. The kit includes Osmo Wash and Care, Osmo Liquid Wax Cleaner, an abrasive pad and three cloths for application.

[osmona.com](http://osmona.com)

## Woca USA

Woca Natural Soap is designed to clean, maintain and protect oiled surfaces from dirt, stains and wear. The key ingredients are soy and coconut fats, which nourish the finish naturally and strengthen it with a breathable, protective wear layer, the company says.
